UNHCR
The UN Refugee Agency

Thank you for choosing UNHCR

THANK YOU

I'M DELIGHTED TO WELCOME YOU TO OUR FAMILY OF FUNDRAISERS. BY ORGANIZING A FUNDRAISING CAMPAIGN OR EVENT ON BEHALF OF UNHCR CANADA, YOU'RE HELPING TO IMPROVE THE LIVES OF MILLIONS OF PEOPLE IN NEED. WE DEEPLY APPRECIATE YOUR SUPPORT.

Each year, UNHCR Canada provides critical aid to people who have fled their homes in order to escape violence or persecution. Donations make it possible to bring these people water, food, shelter and medical care. They also allow us to help refugees return to their homelands, or else start the process of rebuilding their lives in a new country. The generosity of Canadians truly has the power to shape our world, and it makes a dramatic difference in people's lives.

We want you to have a fun and successful campaign, so we've provided some resources to help you get started. If you have any questions, please feel free to contact us using the information provided in this toolkit. We'd be happy to help.

We'd also love to hear your ideas for fundraisers and stories about your event. You can find us on Twitter and Facebook, or you're welcome to send us an email.

Thank you again for all that you do to support UNHCR Canada—and enjoy your fundraiser!

WHAT DOES FUNDRAISING ON BEHALF OF UNHCR ENTAIL?

Fundraising on behalf of UNHCR is any kind of event, sale, or activity organized by people who want to support a specific cause or charity. These initiatives complement UNHCR's own fundraising activities, helping the organization to raise money for millions of refugees in need.

WHAT WILL THIS TOOLKIT DO?

The toolkit offers ideas for individuals, organizations and teams who want to plan their own fundraising initiative, but need some help getting started. It includes information on organizing an event or activity, sharing the news with your community and following up with participants once your fundraiser is complete.

You'll also find a variety of facts and figures about UNHCR that you can share with friends, family and other potential donors. These details can be great additions to social media campaigns, as well as to emails, flyers and event programs.

HOW TO SET UP A FUNDRAISING PAGE

You can build a safe and secure donation page right on the UNHCR Canada website. Anyone who uses it to make a gift will automatically receive a tax receipt.

Here's how to get started:

1. Read through this toolkit to learn more about UNHCR, effective fundraising, and procedures you need to follow when hosting an event.
2. Visit <https://e-activist.com/p2p/unhcr/login> to create your own event page.
3. Once you're registered, you can customize your own fundraising page and set a personal goal. We will be in touch once you register to see how we can help.
4. Share your page with friends, family, colleagues and classmates.
5. Include the URL in your emails, social media posts, flyers and media releases.
6. Check your page regularly to track donations to your campaign.
7. Have fun!

THERE ARE MANY WAYS TO PROMOTE YOUR EVENT AT LITTLE TO NO COST.

Taking time to plan and try a few different forms of communication will help to spread news within your community.

Planning

Promotional campaigns usually start weeks ahead of an event. Consider who might be interested in contributing to your fundraiser, and how they might hear about it if they don't know you personally.

Create a list of people who can share information about your event, including friends, family, classmates, colleagues, reporters and members of your social networks.

Word of mouth

Get in touch with your contacts at least a month in advance to see if they can help you promote your fundraiser. Provide them with all the details they need so that it's easy for them to spread the word.

Online promotions

Social media platforms are excellent tools for sharing news and updates. On page 9, we provide some sample tweets and posts to help you start planning your campaign.

You might also want to find people from your community who share events with their social networks. Ask them if they would be willing to help you spread the word, and remember to thank them for posting your information.

Press coverage

If you're planning a large-scale fundraiser, you may want to connect with local media outlets like newspapers and TV and radio stations. Contact information for reporters and producers is often available online.

Members of the media will be looking for stories that are of interest to their audiences. Provide them with the date,

time and location of your event, as well as details that will entice people to attend. You can also let them know about UNHCR by including this paragraph in your message:

The Office of the United Nations High Commissioner for Refugees (UNHCR), also known as the UN Refugee Agency, is the world's leading organization aiding and protecting people forced to flee their homes due to violence, conflict and persecution. UNHCR provides shelter, food, water, medical care and other life-saving assistance to refugees around the world. Their committed staff of 9,700 work in more than 126 countries saving and protecting lives and building a better future for 65.3 million people worldwide forced to flee their homes.

SAMPLE LETTER TO DONORS

Dear Jordan,

Thank you for your generous pledge in support of my 5K run for UNHCR Canada. Your contribution helped me to meet my goal of raising \$2,000 for charity. I really appreciate it!

All of the funds will go directly to UNHCR, which provides life-saving assistance to refugees around the world. Each year, the organization delivers shelter, food, water, medical care and other aid to people who have fled their homes to escape violence or persecution. As a result, more than 50 million refugees, internally displaced people and asylum-seekers are receiving the protection and the support they need to survive and build better lives. Thank you for helping to make this work possible.

If you'd like to learn more about UNHCR Canada, you'll find details online at unhcr.ca. Thank you again for your generous support—it really does make a difference!

Sincerely,

Aliyah

SAMPLE LETTER TO VOLUNTEERS

Dear Melissa,

Thank you for helping us put together an amazing concert for UNHCR Canada! We couldn't have done it without your support.

In total, we raised more than \$3,000 for UNHCR. This money will help the organization provide shelter, food, water, medical care and other aid to more than 50 million people who've fled their homes. As a member of our event team, you've helped to make this work possible.

We deeply appreciate all that you did to ensure that our fundraiser ran smoothly. People who attended the concert have been telling us how much they enjoyed it, and we're already thinking about how to make next year's event even better! We hope that you'll join us again.

If you have any questions or feedback that you'd like to share with us, we'd be happy to hear from you. Thank you again for all of your help supporting this wonderful cause!

Sincerely,

Trevor and Tara
